

7.3 – Institutional Distinctiveness

The college aims at creating a hatching ground for the students to develop their all-round skills and to inculcate good values in their life. The CAPACITY BUILDING INITIATIVE of students is a step towards facilitating the students with the required knowledge, experience and exposure to pursue their dreams for better employment. While it is important to underscore the value of curriculum to holistic and sustainable development of the institute, it is also prudent to recognise the various hurdles that could rupture the design, development, implementation and usefulness of quality curricula. To remove critical impediments that prevent or disrupt developmental efforts, the college is working on the right and systematic kind of support system, and therefore, works jointly to enable the students to strengthen their capacities through contextualized response interventions. With the skills gained, the student becomes more determined and confident to face future goals. For this various measures were conducted to make student self-reliant and independent thinkers in sorting our various issues. The College as a higher education institution is committed in imparting quality education to empower the youth/students and strive to foster integral development by enabling them to be intellectually alert, emotionally balanced, morally sound, socially committed, culturally enriched and spiritually oriented. Institution has ICT facilities like LCD projectors, Computers, Smart boards, Laptops, Internet which is used in teaching learning processes. Students are trained in values through seminars, workshops, exhibitions. The participation of students in the classroom discussion also throws light on their learning abilities. Internal assessment tests are conducted through which student's performance is evaluated. The college has well qualified staff, good infrastructural facilities, well equipped laboratories, computer labs, library, e-library, and co-curricular/extracurricular facilities. The institution is committed to provide an ambience of creativity, innovation and good learning

experiences. Curricular, extra-curricular and sports activities and competitions are organized to nurture the talents of the students in addition to the regular academic schedules. The college has its all-time willingness to adopt new things whether in academic as well as non-academic areas to inculcate values among faculty members, staff and students in order to make them better citizens. Thus all faculty members, staff and students of our college are fortified to participate in social activities for the betterment of society. Objectives 1. The distinctive feature of the institute is "Socio economic development and capacity building of rural youth through quality education". 2. To provide need-based quality higher education to students hailing from all walks of the society. The core policy of the institute is to create an academic atmosphere that fulfils the equal opportunity status towards the well-being of students, staff and faculties.
